MEMORANDUM FOR: Director of Public Affairs
FROM: Director of Central Intelligence
SUBJECT: Visits to Agency by University Groups

Fordham University Club called to ask if I would address them at a meeting in our Auditorium, pointing out that I had done this for the Harvard University alumni group sometime in 1981. Since I am a Fordham alumnus, I thought I would ask you to check out when we did this last and advise me on what our policy should be with respect to this kind of request. As you know, I am not crazy about speaking but I do it if it seems to be within our policy, bearing in mind that this is not the kind of thing we want to encourage. Maybe I have answered my own question, but let me have your opinion anyway.
